**WHEREAS**, Commissioner Fleenor offered to contribute \$1,000 from his budget to put towards a project for the permanent placement of an upgraded video conferencing unit in the Commissioner's Conference Room; and

**WHEREAS**, the Board of Commissioners agreed that Commissioner Fleenor's contribution was appreciated but that it was better to cover this cost out of the General Fund Operational Contingency; and

**WHEREAS**, it now appears to the Board of Commissioners that a transfer of \$1,000 from the Operational Contingency to Materials and Services within the General Fund is necessary to provide sufficient funds for upgrading video conferencing equipment in the Commissioner's Conference Room; and

**WHEREAS**, the Board of Commissioner, as per ORS 294.450(1), has authority to transfer appropriations within a fund if appropriations are moved from one organizational unit or appropriation to another; and

**WHEREAS**, the need, the purpose and the amount of the transfer are herein described;

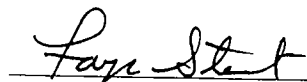

**NOW, THEREFORE, IT IS HEREBY ORDERED** that \$1,000 be transferred from the General Fund Operational Contingency to the Materials and Services appropriation within General Expense to provide sufficient funds for the permanent placement of upgraded video conferencing equipment in the Commissioner's Conference Room.
