Order shall include a brief statement of the necessary Findings of Fact to establish the Infraction alleged.

(5) All forfeitures collected pursuant to the provisions of this Chapter shall be paid to the Department of Finance and General Services and credited to the General Fund, unless otherwise expressly provided.

(6) Hearings shall be conducted at locations determined by the Director. Should the conduct of hearings outside the Eugene area appear to be economically practicable, the Director shall give strong consideration to scheduling hearings in other locations.

5.035 Forfeitures. The Director, with the approval of the Board, shall establish a schedule of forfeitures for County Infractions. No forfeitures shall exceed \$100 for each separate Infraction. Unless otherwise provided by Ordinance, upon a Finding that a County Infraction has occurred, the Hearing Officer shall assess the forfeiture shown on the schedule established in accordance with this Chapter.

5.040 Representation by Counsel. The County shall not be required to be represented by an attorney. A person charged with a County Infraction may be represented by an attorney retained by him or her or assisted by a person of his or her choice, provided that one day's written notice of an intention to be represented by an attorney is received by the Section so that the County may have the opportunity to arrange for its own legal representation, if desired. The Hearing Officer may waive this notice requirement in individual cases or reset the hearing for a later date.

5.045 Review. There shall be no administrative appeal or legal review from this Chapter of determination by a Hearing Officer of an Infraction violation. However, each person assessed a forfeiture under LC 5.005 to 5.065 above and below shall be advised in writing (to be delivered with the final Order disposing of the matter) that, even though no direct right of appeal exists, it is possible that a Writ of Review or other appropriate legal relief might be obtained.
