WORK SESSION
BOARD OF COUNTY COMMISSIONERS

Commissioners'
Conference Room

Chair Bill Rogers presided with Steve Cornacchia, Ellie Dumdi, Jack Roberts and Jerry Rust present. Judy Haldeman, Recording Secretary.

BRIEFING/BPA Draft Environmental Impact Statement

Michael Copely, Associate Planner, introduced Tom McKinney, Lou Driessen and Arnold Hultberg from the Bonneville Power Administration (BPA) and John Replinger and Kathi Wiederhold from L-COG. Replinger presented a brief history of recent public hearings on this issue. Bill Van Vactor, County Counsel, stated that the Board should collect information and reserve policy determination until a later date. McKinney stated that a technical report has been finalized and approved and a working paper has been prepared along with an environmental impact statement. McKinney stated that expansion is needed as the present system is expected to become insufficient for future power needs and allows no back up. The Board discussed the potentially harmful effects of electromagnetic fields, noise, visual impacts, economic impacts and costs.

There being no further business, this meeting adjourned at 3:04 p.m.
