1. **EXECUTIVE SESSION as per ORS 192.660**

Held as per ORS 192.660.

2. **OTHER BUSINESS**

Don Williams, Community Services Director, HACSA, discussed the bargaining process with members of organized labor currently underway, emphasizing that the process is participatory, not positional. Williams added that as a result of this approach, the entire agency has developed the most positive attitude he has ever seen in bargaining.

Commenting further on the bargaining process, Nancy Lynchild, Section 8 Division Director, HACSA, stated that full consensus is reached by everyone involved in the bargaining process and that joint labor committees have been established to work on issues that occur every year which have been somewhat neglected in the past. Lynchild echoed Williams' positive comments on the overall attitude of participants in the bargaining process, but cautioned that the time commitment is considerable.

Roberts thanked the bargaining team for their hard work in this process. Rust echoed Roberts' sentiments.

There being no further business, this meeting adjourned at 9:10 a.m.
