The software application we use to process property tax information in Lane County, Ascend, assigns party numbers to each individual listed on an account. When new records are entered or current records are updated, the system checks for an exact match on the name. If an exact match is found, the same party number is assigned. If no exact match is found, a new party number is assigned.

The Top Taxpayer report is a summary of taxes paid per party number.

The software application we use to process property tax information in Lane County, Ascend, assigns party numbers to each individual listed on an account. When new records are entered or current records are updated, the system checks for an exact match on the name. If an exact match is found, the same party number is assigned. If no exact match is found, a new party number is assigned.

The Top Taxpayer report is a summary of taxes paid per party number.
