BILINGUAL “B”

Bilingual designation is an adjunct classification.

Language - *Spanish*

DEFINITION:

To assist in providing bilingual communication with Limited English Proficient (LEP) persons. Individuals in these classifications do more than self-identify; they have successfully passed a test demonstrating proficiency in both English and the other language administered by the County. The need for the use of the second language in the performance of job duties in this classification has been identified.

EXAMPLES OF DUTIES:

In addition to the regular knowledge, skills, and abilities required of the employee’s main classification, the bilingual duties of this adjunct classification may include, but are not limited to the following:

- Interpreting between English speakers and LEP persons.
- Orally translating documents
- Providing oral assistance
- Providing written assistance, including some written document translation

MINIMUM QUALIFICATIONS:

Knowledge of:

Both languages, demonstrating the ability to convey information in both languages quickly and accurately.

Ability to:

- Communicate clearly and concisely.
- Maintain confidentiality of communications.

EXPERIENCE AND TRAINING:

An equivalent combination of experience and training or demonstrated abilities qualifying the employee or applicant to perform the duties described herein. These skills and abilities may be acquired in various ways; i.e., education and/or bilingual or bicultural experiences.
