A. Bid - Provisions and Conditions

1. **COMPLETE BID MUST BE RETURNED.** Bidders shall fill in box provided on the right of specifications. Bidder shall place "X" in either "Meets Specifications" Yes or No. No other language will be acceptable. Failure to return a complete bid may result in the bid being considered as non-responsive and rejected from further consideration.
2. Any deviations to specifications not shown in the "Meets Specifications" column must be submitted on the separate "Deviation Page."
3. If bidder does not wish to bid certain item numbers, enter "**NO BID**" in that section and leave page in proper sequence.
4. The bid shall be completed and the firm name and signature of an authorized person shall be in the space provided. **All bids must be signed and notarized.** Equipment purchase price is to exclude federal excise tax. Federal exemption certificates will be furnished to successful bidders.
5. Any bid may be withdrawn at any time **prior** to the time fixed in the public notice for receipt of bids, by providing written request for the withdrawal of the bid to the Department of Public Works, Fleet Services. The request shall be executed by the bidder or a duly authorized representative. Withdrawal of a bid will not prejudice the right of the bidder to file a new bid. A bid will not be accepted after the time as stated in the notice to bidders (page 1). All bids shall be irrevocable for a period of 60 days from the day of opening.
6. Bidders must satisfy themselves by personal examination of the specifications and provisions, and by such other means as they prefer, as to the actual conditions and requirements of the specifications and provisions, and shall not at any time, after submission of the bid, dispute, complain, or assert that there was any misunderstanding in regard to the nature, quality or description of the equipment to be supplied.
7. On bids that include a "guaranteed buy back" provision, Lane County will use the present value method of evaluating bids. The interest rate used will be the nearest whole percentage rate currently earned on Lane County investments.

8. **Protest of Process and Solicitation Document**

Written bid protests shall be submitted to the Fleet Services Manager a minimum of 5 days prior to the bid opening in accordance with Lane Manual 21.105(6). Pursuant to LM 21.105 (12) and (13) a notice of intent to award will be provided within 2 days of bid opening. All written protests of the notice of intent to award must be filed within 5 days of the mailing of the notice, and shall state the reasons therefore in accordance with LM 21.105 (13)

10. **Bid Bond:**

a. A surety bond, cashier's check, certified check or irrevocable letter of credit from the bidder made payable to Lane County Department of Finance in the amount of _____, or 10% of the bid, must accompany each bid as security. The bid bond shall be valid for a minimum of 60 days. Upon execution and delivery to Lane County of the Contract and Bond by the successful bidder, the bid security shall be returned to the bidder. Any bidder who has been awarded a contract and who fails or neglects to promptly and properly execute the contract or performance bond (when required) shall forfeit the bid security that accompanied the bid. The contract and performance bond must be executed and delivered to the County within ten (10) days (excluding Sundays) of the day of the receipt by the successful bidder of the prepared contract. If the contract and performance bond are not received by the County within the time limits, the County, at its option, may determine that the bidder has abandoned the bid award, in which case the bid security shall become the sole property of Lane County, and shall be considered as liquidated damages, and not as a penalty for failure of the bidder to execute the contract and performance bond. The bid security of unsuccessful bidders shall be returned to them after the successful bidder has executed and delivered the contract and performance bond to the County.

or

b. No bid bond is required as security.

B. **Contract Terms and Conditions:**

1. CONTRACTOR shall not permit any lien or claim to be filed or prosecuted against Lane County in connection with this contract and agrees to assume responsibility should such lien or claim be filed.
2. The contract may be cancelled by Lane County for any willful failure or refusal on the part of CONTRACTOR to faithfully perform the contract according to its terms. See the contract for any additional cancellation provisions.

3. INDEMNITY. CONTRACTOR agrees to indemnify, defend and hold Lane County, its Commissioners, agents, officers and employees harmless from all damages, losses and expenses including but not limited to attorney fees and to defend all claims, proceedings, lawsuits and judgments arising out of or resulting from the CONTRACTOR'S performance or failure to perform this contract.

4. This purchase is subject to applicable standard public contract provisions of the Oregon Revised Statutes-ORS 279A & 279B, Lane Manual Chapter 21, and all of the attached bid proposal documents provisions and specifications. Together with the contract, they shall constitute the contract package.

The County will purchase materials and supplies manufactured from recycled materials, if the recycled product is available, meets the applicable standards, can be substituted for a comparable non-recycled product and does not exceed the cost of the non-recycled product by more than five (5) percent (ORS 279.570). The County reserves the right to make such a purchase even if the cost difference exceeds five (5) percent.

5. Unless prohibited or limited by law, the county has the right to exercise the following remedies for a contractor's failure to perform the scope of work or failure to meet established performance standards:

1. Reduce or withhold payment.

2. Require Contractor to perform, at the contractor's expense, additional work necessary to perform the identified scope of work or meet the established performance standards; or

3. Declare a default, terminating the public contract and seeking damages and other relief available under the terms of the public contract or other applicable law

6. Contractor agrees that County, and their duly authorized representatives shall have access to the books, documents, papers, and records of Contractor which are directly pertinent to this agreement for the purpose of making audits, examinations, excerpts, copies and transcripts. Contractor shall retain and keep accessible such books, documents, papers, and records shall be made available upon request, and payment of copy costs is reimbursable by the County.

7. **Performance Bond:**

a. The successful bidder shall be required to guarantee the performance of this contract by a "Faithful Performance" Surety Bond in the sum of _____ or 100 % of the contract bid. The performance bond shall be received and accepted by the County prior to the commencement of any performance by the CONTRACTOR, and the existence of a contract shall be subject to the receipt and acceptance by the COUNTY of an acceptable bond. **or**

b. Performance bond is not required as security.

C. Award and Execution of Contract:

1. Award of Bid will be based upon cost per mile. Award price will be determined by using purchase price divided by useable miles to 150,000 miles. Deviation value of individual items or a combination of items, shall be at the discretion of Lane County.
2. The bidder's proposal for the items to be furnished shall be submitted with the knowledge on the part of the bidder that the delivery or furnishing of the items cannot commence until a contract is duly and properly executed.
3. In the event more than sixty (60) days elapse between the date on which the proposal is opened and the date on which the contract is prepared, readied for execution, and submitted to the bidder, consideration will be given by Lane County to the granting of an extension of time to the bidder for fulfillment of the contract to offset any delay in the contract actually occasioned by said lapse of more than sixty (60) days.

4. **Protest of Award**

A written protest of bid award must be filed with the County Administrator within ten (10) days of the notice of award (date on letter of award notification). Protests of award shall be handled in accordance with Lane Manual 21.105(13).

D. Rejection or Acceptance of Bids:

1. Lane County shall reject any bid not in compliance with all prescribed public bidding procedures and requirements, and may reject for good cause any and all bids upon a finding of the agency that it is in the public interest to do so.
2. Bids may be rejected if they show any alteration of form, additions not called for, conditional bids, incomplete bids, erasures, or irregularities of any kind.
3. Any or all bids may be rejected for good cause upon a finding that it is in the public interest to do so.
4. **Bids may be rejected if they are not signed and notarized.**
5. Bids shall be signed by an agent of the corporation or partnership who is authorized to commit the firm to its bid obligations. If the agent is other than a corporate officer, partner, or branch manager, a letter of authority or "Power of Attorney" shall accompany the bid, or the bid may be rejected.

6. If, in the opinion of County, the bidder's submitted delivery date is such that it will inconvenience or cause hardship to the County, the County may, at its discretion, reject the bid.

E. Disqualification of Bidders:

1. More than one bid from an individual, firm, partnership, corporation, or combination thereof with an interest in more than one bid, will be cause for the rejection of all bids in which such individual, firm, partnership, corporation, or combination thereof, has an interest.
2. If there is reason to believe that collusion exists among bidders, none of the bids of the participants in such collusion will be considered and all involved bids shall be rejected. Bids in which prices are obviously unbalanced may be rejected.

F. Amount of the Contract:

The amount of the contract will be understood to be the total sum of the amounts computed from the items or quantities and the unit price(s) as given in the bid. Where prices are given on alternative items, or quantities, only the amounts of the alternates accepted by Lane County will be included in the total amount of the contract.

G. Payment:

Payment will be made on the unit(s) delivered as called for in the specifications based upon the amount per each unit or the total amount stated in the proposal. Payment will be duly processed upon receipt of invoice and paid on a twice-monthly basis, normally within thirty (30) days of receipt of the invoice.

H. Delivery:

1. The unit(s) to be furnished under the contract shall be delivered in its entirety **per the delivery date stated in the bid, including penalty clauses as stipulated in the bid specifications and equipment contract**; however, the County may, at its discretion, extend the time for the completion of the contract without invalidating any of the provisions of the contract.
2. Each unit is to be delivered in first class operating condition with acceptance subject to **FLEET SERVICES** inspection and approval. Delivery shall be as set forth in the Specifications.
3. Each unit shall be completely serviced and lubricated at time of delivery, in accordance with factory service specifications.

4. Each unit shall be properly cleaned, washed, and all stickers, markings, and protective coatings removed.
5. Each unit shall be delivered with separate invoices, registration and warranty papers, predelivery inspection sheet, and owner's manual. In any case where a unit is delivered minus any part, item, or accessory issued as standard manufacturer's equipment, and/or specified by Lane County, the vendor will be immediately notified. If the missing part, item, or accessory is not provided and installed within seven (7) days, Lane County reserves the right to buy the item or part from another source and bill the vendor for the cost, including installation.

I. **Warranty and/or Service Policy:**

1. The bidder shall furnish a standard manufacturer's warranty and/or service policy and the work will be done by any regular authorized manufacturer's dealer.

or

- The warranty and/or service policy shall be in accordance with and as called for in the specifications.

J. **General Specifications:**

1. The item described herein shall be furnished in accordance with the specifications attached hereto as a part of the request for bid.
2. In case of conflict between the specifications and the general provisions, the specifications shall take precedence over and will be used in lieu of such conflicting portions of the general provisions.
3. **Silence of specifications:** The apparent silence of these specifications and supplemental specifications as to any detail or the apparent omission from it of a detailed description concerning any point shall be regarded as meaning that only best commercial practice is to prevail and that only material and workmanship of first quality are to be used.
4. All bidders must be an "equal opportunity employer" willing to comply with all applicable provisions of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972 (see 42 USCA 2000), all regulations there under (see 41 CFR Parts 60 and 60-1), Executive Orders 11246 and 11375 and all Federal and Oregon statutes and regulations regarding employment, including ORS 656.017 regarding worker's compensation unless they meet the requirements for an exemption under ORS 656.126.
5. It shall be expected that suppliers shall furnish unit(s) conforming in all respects with the specifications. **When a brand or trade name is used it is understood to be used**

only to establish the quality standard desired. Quotations for equivalent articles are identified as to Manufacturer's Name, Trade name, Make and Model, and Catalog Number on the quotation request form.

6. Heavy-duty, as applied to these specifications, means that the item to which the term is applied shall exceed the usual quantity, quality, or capacity supplied with standard production equipment.
7. All federal safety and pollution regulations and State of Oregon Revised Statutes pertaining to equipment construction, compulsory safety equipment and OSHA regulations form a part of these specifications.
8. Evidence of such preventive maintenance shall be furnished by Lane County upon request, as required by the manufacturer. Any extended warranty period customarily granted shall be made available to Lane County at no additional cost.
9. There shall be no distance or time limitations, not applicable to the trade in general, on either standard or extended warranty or labor.
10. All equipment and accessories offered against these specifications shall be of identical style, quality and appointments as those offered to the trade in general during the course of the model year.
11. Any and all equipment designed to operate on public roads shall be accompanied by a **"MANUFACTURER'S STATEMENT OF ORIGIN"** at time of **DELIVERY**. If necessary statement does not accompany equipment at time of delivery, delivery will be refused until such **MANUFACTURER'S STATEMENT OF ORIGIN** is provided.

CONTRACTS LIABILITY INSURANCE REQUIRED NOT REQUIRED

INDEPENDENT CONTRACTOR STATUS. The performance of this contract is at CONTRACTOR'S sole risk. The service or services to be rendered under this contract are those of an independent contractor who is not an officer, employee or agent of the County as those terms are used in ORS 30.265. CONTRACTOR is solely liable for any Workers' Compensation coverage under this contract.

All subject employers working under the contract are either employers that will comply with ORS 656.017 or employers that are exempt under ORS 656.126.

INDEMNITY. CONTRACTOR agrees to indemnify, defend and hold Lane County, it's Commissioners, agents, officers, and employees harmless from all damages, losses, and expenses including but not limited to attorney fees and to defend all claims, proceedings, lawsuits, and judgments arising out of or resulting from the CONTRACTOR'S performance or failure to perform this contract.

NOW, THEREFORE,

- (a) If said bid shall be rejected, or in the alternate,**
- (b) If said bid shall be accepted and the PRINCIPAL shall execute and deliver a contract in the Form of Contract attached hereto (properly completed in accordance with said Bid) and shall furnish bonds for his/her faithful performance of said contract, and for the payment of all persons performing labor or furnishing materials in connection therewith, and shall in all other respects perform the agreement created by the acceptance of said Bid,**

then this obligation shall be void, otherwise the same shall remain in force and effect; it being expressly understood and agreed that the liability of the SURETY for any and all claims hereunder shall in no event, exceed the penal amount of this obligation as herein stated.

The SURETY, for value received, hereby stipulates and agrees that the obligations of said SURETY and its bond shall be in no way impaired or affected by any extension of the time within which the OWNER may accept such BID, and said SURETY does hereby waive notice of any such extension.

IN WITNESS WHEREOF, the PRINCIPAL and the SURETY have hereunto set their hands and seals and such of them as are corporations have caused their seals to be affixed and these presents to be signed by their proper officers, the day and year first set forth below.
