

Goal 1 Coalition: Revised Proposed Code Amendments

| No. | Grouping | Topic | Zone | RCP or LC Citation. | Summary/Problem/Issue | Fix/Notes | Withdrawn* | Revised |
|-----|------------------------|----------------------|------|-------------------------------|--|--|------------|---------|
| 1 | D&C Exception | RCP Policy-Amendment | | RCP Goal 2, Policy 9 | Restricts new "developed and committed exceptions." | Remove Developed and Committed Exceptions Process. | X | |
| 2 | D&C Exception | RCP Policy-Amendment | | RCP Goal 2, Policy 11 | Restricts new "developed and committed exceptions." | Remove Developed and Committed Exceptions Process. | X | |
| 3 | D&C Exception | RCP Policy-Amendment | | RCP Goal 2, Policy 12 | Restricts new "developed and committed exceptions." | Remove Developed and Committed Exceptions Process. | X | |
| 4 | D&C Exception | RCP Policy-Amendment | | RCP Goal 3, Policy 7 | Restricts new "developed and committed exceptions." | Remove Developed and Committed Exceptions Process. | X | |
| 5 | D&C Exception | LC Amendment | | 16.400 (8)(a)(i) | Restricts new "developed and committed exceptions." | Remove Developed and Committed Exceptions Process. | X | |
| 6 | Nonresource Land | RCP Policy-Amendment | | RCP Goal 2, Policy 18 | Restricts new "nonresource land" designations. | Replacement language requiring exception to state Planning Goals to remove land from a forest or farm designation. | X | |
| 7 | Nonresource Land | RCP Policy-Amendment | | RCP Goal 2, Policy 19 | Restricts new "nonresource land" designations. | Removes policy 19 regarding residential densities for non resource lands. | X | |
| 8 | F 1 / F 2 Zone Changes | RCP Policy-Amendment | | RCP Goal 2, Policy 27 | Amends policies regarding forest land zone changes from F 1 to F 2. | Replaces language regarding "conformity determinations." | X | |
| 9 | F 1 / F 2 Zone Changes | RCP Policy-Amendment | | RCP Goal 2, Policy 27 (a)(ii) | Amends policies regarding forest land zone changes from F 1 to F 2. | Replaces language regarding qualifying circumstances for consideration of conformity determinations. | X | |
| 10 | F 1 / F 2 Zone Changes | RCP Policy-Amendment | | RCP Goal 4, Policy 15(a) | Amends policies regarding forest land zone changes from F 1 to F 2. | Replaces policy 15(a), inserts language regarding F 1 and F 2 characteristics. | X | |
| 11 | F 1 / F 2 Zone Changes | RCP Policy-Amendment | | RCP Goal 4, Policy 15 | Inconsistency with RCP policies on County website. | Deletes web version of RCP, Goal 4, Policy 15. | X | |
| 12 | F 1 / F 2 Zone Changes | LC Amendment | | 16.090 | Amends definition of a "tract." | Replaces current language with statutory language. | X | |
| 13 | F 1 / F 2 Zone Changes | LC Amendment | | 16.090; 13.010 | Deletes definition of "contiguous." | Deletes definition of "contiguous." | X | |
| 14 | F 1 / F 2 Zone Changes | RCP Policy-Amendment | | RCP Goal 4, Policy 7 | Amends policies regarding minimum land division size in forest zone. | Removes exceptions to 80 acre minimum. | X | |
| 15 | Compliance | LC Amendment | | 14.050(3)(b) | Amends language regarding code compliance. | Adds language regarding land use applications on properties containing an alleged violation. | | |

*Proposal withdrawn by the Goal 1 Coalition.

| No. | Grouping | Topic | Zone | RCP or LC Citation. | Summary/Problem/Issue | Fix/Notes | Withdrawn | Revised |
|-----|--------------------------------------|---------------------------------|----------------|---|--|--|-----------|---------|
| 16 | Home Occupation | LC Amendment | | 16.090 | Amends definition of "home occupation." | Adds standards regarding "home occupations." | | |
| 17 | Home Occupation | LC Amendment | RR | 16.290(2)(h) | Removes home occupation as permitted use in RR zone. | Requires all home occupations to be subject to director approval, reference 16.290(3). | | |
| 18 | F-2 Template | LC Amendment | F-2 | 16.211(5) | Amends language regarding subject lot/parcel. | Limits template dwellings to lots/parcels zoned F-2 as of January 1, 2010. Revised: Limits template dwellings to lots/parcels zoned F-2 as of January 1, 2011. | | x |
| 19 | F-2 Template | LC Amendment | | 16.090; 13.010; Revised: 16.211(5) | Deletes definition of "contiguous." Revised: Adds definition of "contiguous." | Deletes definition of "contiguous." Revised: Adds definition of "contiguous." ""Contiguous" means adjacent or touching." | | x |
| 20 | F-2 Template | LC Amendment | F-2 | 16.211(5) | Amends language regarding manufactured homes included within a template dwelling application. Revised: Amends language to make consistent with OAR 660-06-0027(1)(f). | Specifies that manufactured home must be permanent and in continuous existence since 1993. Revised: Deletes all references to "manufactured dwellings." Adds language to require that existing dwellings used to qualify for a template test have continued to exist since January 1, 1993. | | x |
| 21 | F-2 Template | LC Amendment | F-2 | 16.211(5) | Amends language regarding the placement of a "square template." Revised: Amends language regarding the center of the subject tract. | Amends language regarding the orientation of the "template" and the determination of the center of the property. Revised: Adds language prescribing how the center of the subject tract is to be determined. | | x |
| 22 | F-2 Template | LC Amendment | F-2 | 16.211(5)(e) | Amends language regarding the number of dwellings needed to qualify for a template test. | Increases the number of dwellings (from 3 to 5) needed to qualify for a template test, requires that all dwellings must fall within the template. | x | |
| 23 | F-2 Template | LC Amendment | F-2 | 16.211 (5)(a) | Amends language regarding a "tract" in a template dwelling application. | Adds an ownership date (01/01/10) of the tract. Revised: Adds ownership date (January 1, 2011) of the tract. | | x |
| 24 | F-2 Template | LC Amendment | F-2 | 16.211(5)(c) | Amends language regarding the "rectangular template." | Adds language regarding the distance the tract must abut a road and the alignment of the rectangular template. Revised: Adds language regarding the alignment of the rectangular template. | | x |
| 25 | F-2 Template | LC Amendment | F-2 | LC 16.211(5) | Adds definition of "road." | Adds language: "Road" mean a public road. | x | |
| 26 | F-2 Template | RCP Policy Amendment | | RCP Goal 4, Policy 8 | Amends OAR citation regarding fire safety standards. | Clarifies OAR citation. | x | |
| 27 | F-2 Template | LC Amendment | F-2 | 16.211(8)(e) | Amends language regarding fire siting standards. | Removes language regarding fire siting standards "or their equivalent." | x | |
| 28 | New Zone/Plan Designation | RCP Policy Amendment | | RCP Goal 2, Policy 25 | Adds new plan designation and zone classification "Lands of Critical Importance." | Adds new plan designation and zone classification "Lands of Critical Importance." | | |
| 29 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 2 | Adds new policy 28 regarding greenhouse gas emissions and fossil fuel energy conservation. | Adds new policy regarding greenhouse gas emissions and fossil fuel energy conservation. | | |
| 30 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 3 | Adds new agricultural policy 17 regarding global warming and fossil fuels. | Requires inventory of Agricultural land deemed to be of critical importance. | | |

*Proposal withdrawn by the Goal 1 Coalition.

| No. | Grouping | Topic | Zone | RCP or LC Citation. | Summary/Problem/Issue | Fix/Notes | Withdrawn | Revised |
|-----|--------------------------------------|----------------------|------|-----------------------|--|---|-----------|---------|
| 31 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 4 | Adds new forest policy 16 regarding global warming and fossil fuels. | Requires inventory of Forest land deemed to be of critical importance. | | |
| 32 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 6 | Adds new air quality policy 7 regarding greenhouse gas emissions. | Sets goals for reducing greenhouse gas emissions. <i>Revised: Requires development of standards for the identification, evaluation and minimization of adverse greenhouse gas emissions stemming from land use.</i> | | x |
| 33 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 12 | Adds new transportation policy 5 regarding global warming and fossil fuels. | Requires transportation system impacts to meet greenhouse gas emission and energy consumption goals and objectives. | | |
| 34 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 13 | Adds new energy conservation policy 4 regarding peak oil, peak natural gas, and peak coal. <i>Revised: Adds new energy conservation policy 4 regarding energy consumption.</i> | Requires the initiation of mitigation options in advance of peaking. <i>Revised: Requires development of standards for the identification, evaluation and minimization of adverse energy consumption stemming from land use.</i> | | x |
| 35 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 13 | Adds new energy conservation policy 5 regarding the oil depletion protocol. | Adds language regarding reducing oil consumption by the world depletion rate. | | |
| 36 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 13 | Adds new energy conservation policy 6 regarding minimizing adverse energy consequences of land development and building permit requests. | Requires the development of standards for identifying, evaluation and minimizing adverse energy consequences associated with land development and building permits. | | |
| 37 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 13 | Adds new energy conservation policy 7 regarding sources of electricity. | Requires Lane County electricity to be generated by sources other than coal-fired plants unless carbon emissions are permanently sequestered. | | |
| 38 | Energy Conservation / Global Warming | RCP Policy Amendment | | RCP Goal 14 | Adds new urbanization policy 18 regarding global warming and fossil fuels. | Requires Lane County to meet greenhouse gas emission and energy consumption goals and objectives. | | |
| 39 | Marginal Lands | RCP Policy Amendment | | RCP Goal 2 | Adds new policy, Policy 28, regarding marginal lands. | Codifies existing case law and BCC direction regarding ORS 197.247. | | x |
| 40 | Marginal Lands | RCP Policy Amendment | | RCP Goal 3, Policy 14 | Minor format edits. Adds criterion that requires lands proposed to be rezoned as Marginal Lands to comply with the proposed Goal 2, Policy 28. | Minor format edits. Adds criterion that requires lands proposed to be rezoned as Marginal Lands to comply with the proposed Goal 2, Policy 28. | | |
| 41 | Marginal Lands | RCP Policy Amendment | | RCP Goal 4, Policy 3 | Amends Policy 3 to make consistent with RCP Goal 3, Policy 14. | Amends Policy 3 to make consistent with proposed RCP Goal 3, Policy 14 (see No. 40, above). | | |

*Proposal withdrawn by the Goal 1 Coalition.
