DETAILS: On January 7, 2007 at about 2042 hrs the Lane County Sheriff's Office served a search warrant at the location for the purpose of seizing evidence related to the unlawful possession and delivery of Methamphetamine. Members of the Sheriff's Office who work under contract to provide police services to the City of Creswell have received numerous complaints about the frequent, short-stay traffic in and out of the apartment, and have observed the same to be happening at all hours of the day and night. This apartment has also been the center of several calls for service over the last year, including an Assault I case in November of 2006.

Upon serving the search warrant Sheriff's Deputies contacted a total of five people inside. Sheriff's Deputies located and seized evidence of the listed crimes with an estimated street value of several hundred dollars.
