**DATE/TIME OF RELEASE:** 26 April 2010

**NATURE OF STORY:** **CLASS –**  
**INTERNET SAFETY FOR YOUR CHILD**

**LOCATION:** Lane Community College - Downtown Campus  
1059 Willamette Street - Eugene

**INVOLVED:** Lane County Sheriff's Office  
Lane Community College  
Symantec

### **DETAILS:**

On Saturday 08 May 2010 from 8:00AM until 5:00 PM the Lane County Sheriff's Office in conjunction with Symantec and Lane Community College will be conducting an internet safety education course for parents.

The class is open to any interested person 18 years of age or older. Prior computer experience is not necessary.

Course topics will include:

- Computer hardware and software basics
- Getting connected to the internet
- Newsgroups, Blogs, Myspace, Facebook etc...
- Hacking
- Internet fraud

- Setting rules and expectations
- Internet chat (instructors will log on live as a child and let you see what your children may experience)
- Searching the internet for information on you and your family
- Windows basics and finding hidden files
- Internet addressing
- E-mail
- ID theft and protecting your privacy
- Copyright issues
- Sex crimes- including methods used by sexual predators to locate and manipulate their victims
- Filtering, blocking, and monitoring internet activity with software
- Parental controls
- Searching your computer to see what your children have been doing

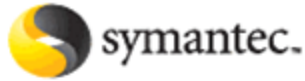

Seating is limited and pre-registration is required. To register for the class call (541) 463-5252 Course # 43204

Tuition for the class is free. However, there is a class fee of \$15.00
