**DATE/TIME OF INCIDENT:** 12/01/07 - 7:00 PM

**DATE/TIME OF RELEASE:** 12/04/07 - 3:30 PM

**NATURE OF STORY:** ASSIST PUBLIC

**LOCATION:** Bohemia Mountains near Fairfield Peak

### **DETAILS:**

The Lane County Sheriff's Office received a call over the weekend regarding a vehicle off the road stuck in a remote area of the Bohemia Mountains near Fairfield Peak.

The occupants of the vehicle were able to make contact with a logger in the area using a CB radio. The logger in turn was able to make contact with the Bohemia Miners Association who in turn contacted the Sheriff's Office.

The Sheriff's Office Search and Rescue Coordinator was able to make contact with the logger and assisted him over the phone with accessing and assisting the stuck vehicle. The logger was able to get the vehicle out before the storms hit that night.

The occupants of the vehicle did not advise anyone of their route of travel beforehand.

The Sheriff's Office reminds the public to use caution when driving in remote areas

especially during the winter months. Always advise a responsible party of your destination, route of travel, and time you plan to return. Carry extra food, water, clothing, tire chains, shovel, flashlight, and blankets in your vehicle. Always plan for the unexpected.
