RETIREE MEDICAL BENEFIT TRUST FUND

2.500 Dedication of the Retiree Medical Benefit Trust Fund.

(1) Non-represented employees. Lane County has promised that, upon retirement, all employees employed in permanent positions on or before March 5, 1991, and who worked 10 continuous years of service would be eligible for County-paid retiree medical insurance. Employees hired after March 6, 1991, would not be eligible for that benefit. This promise applies to employees who are not members of a collective bargaining group.

(2) Represented employees. Lane County has made similar promises to employees who are members of collective bargaining units. Those promises are as follows:

(a) AFSCME-General Unit and Nurses Contract, Lane County Public Works Association Local 626, Administrative-Professional Association of Lane County Public Works, Inc, and Lane County Prosecuting Attorneys' Association. Upon retirement, all employees hired on or before July 1, 1987, and who worked ten (10) full, continuous years of service prior to age seventy (70) would be eligible for County-paid retiree medical insurance. Upon retirement, all employees hired after July 1, 1987, and before July 1, 1997, and who worked twenty (20) full, continuous years of service prior to age seventy (70) would be eligible for County-paid retiree medical insurance.

(b) Lane County Peace Officers' Association. Upon retirement, all employees hired on or before July 1, 1987, and who worked ten (10) full, continuous years of service prior to age seventy (70) would be eligible for County-paid retiree medical insurance. Upon retirement, all employees hired after July 1, 1987, and before

July 1, 1993, and who worked twenty (20) full, continuous years of service prior to age seventy (70) would be eligible for County-paid retiree medical insurance.

(3) These agreements or promises should be consulted to determine qualifications for retirement.

(4) The retiree medical benefit is a benefit that is limited in scope in that there are no new employees who will become eligible to receive it. As such, it is also a defined and limited liability for Lane County.

(5) The Board of County Commissioners has determined it is in the best interests of Lane County to provide a separate and dedicated trust fund for the purpose of paying for this defined liability. By virtue of the Ordinance creating this Lane Code provision, the Board hereby creates a Retiree Medical Trust Fund and dedicates all monies deposited in the Retiree Medical Trust Fund, now or hereafter, for the purposes enumerated below:

(a) To make payments in fulfillment of the promises of the County-paid retiree medical insurance as described in LC 2.500(1) and (2).

(b) To pay necessary and reasonable administrative and actuarial expenses, including but not limited to routine County indirect expenses, to manage and maintain the fund in a prudent manner in accordance with the normal fiduciary responsibilities associated with a trust fund.

(c) All earnings from investments of monies in the Retiree Medical Trust Fund shall accrue to the Trust Fund and are dedicated for the same purposes as the other Trust Fund monies.

(6) As part of the annual budget process, the Lane County Commissioners shall consider appropriations from the various funds of the County to transfer into the Retiree Medical Trust Fund to be used to prudently fund the outstanding liability for the retiree medical insurance benefit. Once transferred into the Retiree Medical Trust Fund, such monies are thereafter dedicated to the purposes described in LC 2.500(5) and shall be used for no other so long as there is an outstanding un-funded liability.

(7) Amounts shall not be transferred from the Retiree Medical Trust Fund unless and until it is determined by a qualified independent actuary based upon the standard for reserving for such outstanding liability that the Fund is fully funded. At that point, monies residing in the Trust Fund can be transferred to another County fund used for the purpose of providing employee benefits, but only to the extent that the transferred Trust Fund monies are equal to or less than the amount determined excess by the independent actuarial report.
